Early in the afternoon ex-State Senator Norton Chase, of Albany, leader of the county Democratic committee, came here with Louis W. Pratt, internal revenue collector from the Albany district, an appointee of President Cleveland, at the suggestion of Charles W. Tracey, now one of the leaders in the gold movement. They came to urge Mr. Bryan to come to Albany at an earlier hour than 8:30 o'clock and succeeded so well that Mr. Bryan promised to leave here at 2:31 p. m. on Tuesday, arriving in Albany about 4 o'clock. The speech will be made in the evening at the City Hall square. Democratic State Committeeman John F. Gaynor telegraphed in the afternoon to know Mr. Bryan's hour of stopping at Syracuse so that a hall might be secured. It is abtful if Mr. Bryan will accept a hall, preferring, as it is not an evening speech, to speak in the open air.

The invitations to Buffalo, to Hornellsville and to several other points in the State have been tendered by people high in the party and there is no doubt of a thorough understanding between Mr. Bryan and the State Democratic leaders. Mr. Bryan did not leave the house to day. He says that he was busy with his letter of acceptance and his largely increasing mail. He was asked if he had read the speech of Bourke Cockran, and said he had gone through it to-day, but did not desire to answer it in any way. He said: "I have received many invitations to debate the silver question with various public men. In order to avoid further invitations of this nature I wish you would say that I will not consider any proposition to debate any question with anybody during this campaign unless a debate should be arranged between Mr. McKinley and myself. BOISE, Ida., Aug. 20. - The third day of the Democratic and Populist conventions was devoted entirely to discussion of the proposed fusion. The joint conference was in session until a late hour last night without coming to any agrement. To-day the conventions met in secret session to receive reports. Each has held two sessions. and at 6 o'clock there is still no agreement. The Democrats had insisted on leaving the matter of senatorship open, but at this morning's session they instructed their committee to agree to support a Populist candidate for Senator. This, however, did not settle the matter. In this State the ipal affairs of government are managed by boards, the principal of which are d of the Governor, Attorney-general and Secretary of State. Populists claim to be numerically stronger than the Democrats and entitled to control those ogras. This the Democrats resist, deboth Governor and Attorney-general. Convention of Silver Clubs Called. WASHINGTON, Aug. 20.-George P. Keeney, the national organizer of the silver party and a member of its executive committee, has been appointed by the Silver party national president of the various nonpartisan silver and bimetallic clubs of the United States. Mr. Keeney has called a national convention of such clubs, to meet at Chicago, Sept. 23. All of the old bimetallic unions, bimetallic leagues, Bryan-Sewall silver clubs, national silver clubs, silver clubs and "Patriots of America" are invited to attend and participate Three delegates at large will be allowed from each club of twenty or more and one additional delegate for every fifty members on the club rolls. The purpose is to unify all nonpartisan silver organizations under a common plan for effective work during the campaign. Nonpartisan silver clubs can ne a part of the organization of natonal silver clubs by sending for a charter to the silver headquarters in Washington, D. C. The declaration of principles is the platform adopted by the national Silver party at St. Louis July 22.

Colorado Democratic Ticket. PUEBLO, Col., Aug. 20.-Colorado Democrats expressed their choice among Democrats for candidates for the several State offices to-day, subject to the action of a conference committee of all of the most prominent Democrats of the State, who are to endeavor to arrange a fusion with the People's and Silver parties. In the event of a combination candidates for the offices apportioned the Democrats will be those amed by the convention to-day for the itions. On presidential electors a fusion licket was nominated consisting of one Pepulist, one silver Republican and two Democrats. The full ticket nominated is: For Governor, Alva Adams, Pueblo; Lieutenant Governor, James M. Ellis, Denver; Secretary of State, C. H. S. Whipple, Leadville; Auditor, W. A. Hardy Has Joint Debate with Miers and Motsinger-H. Clay Evans's Two Speeches at Muncie.

ANDERSON, Ind., Aug. 20 .- Hon. John L. Griffiths, of Indianapolis, opened the campaign in this city to-night in a manner that sent a very cold chill down the Democratic spinal column. Although no elaborate preparations had been made, he was greeted by a crowd of 2,800. One of Major C. T. Doxey's vacant storerooms had been fixed for the occasion, and all were given a good place to hear him. Mr. Griffiths opened with a clean-cut exposition of the free-silver fallacy, and did not deal with anything else during his two hours' speech. His illustrations were all practical and were plain to the laboring classes. Many claim that a better and clearer speech was never delivered in this city. His references to McKinley caused an enthusiastic demonstration. His statement that what the people wanted was not cheap money, but to open the factories and put the idle to work, was met with a cheer

lasting several moments. At the conclusion of his speech a McKinley club was organized with a membership of 1,078. The organization is the largest by half of any political club previously organized in this city. The Bryan club recently organized, has only 600 on the list after a month's hard work. The roll of the new McKinley club is made up prin-

The Congressman Talks Down Both Miers and Motzinger.

Special to the Indianapolis Journal. BEDFORD, Ind., Aug. 20 .- Four thousand people attended a barbecue at Armstrong's Station in the western part of Lawrence county to-day, the occasion being a joint political discussion between Hon. A. M. Hardy, R. W. Miers and N. H. Motzinger, the Republican, Democratic and Populist candidates for Congress in the ond district, respectively. Miers spok in the forenoon and was followed in th afternoon by Hardy. The crowd went wild on Hardy's address. Motzinger's remarks came last and were received with better feeling than Miers's forenoon harangue Motzinger is conducting his campaign with much ability and is likely to receive the full vote of his party in November. Hardy is a sure winner and, it is estimated, will receive 1,200 majority in Lawrence county.

A Schoolhouse Campaign.

Special to the Indianapolis Journal. RUSHVILLE, Ind., Aug. 20 .- A schoolhouse campaign is on in this county. Meetings addressed by Col. E. H. Wolfe, J. F Joyce, William M. Sparke, J. A. Titsworth and others have been held at different points in the county this week. Hon, James Stutesman speaks to-morrow. Sept. 1 Hon. Henry U. Johnson enters the county for a series of four speeches. He goes thence to Fayette county, but will return on Sept. 12 for an address at a big demonstration to be held in this city. Congressman Watson will make four speeches in this, his home, county during the second week in September. The Rushville McKinley Club has had surprising growth. It now numbers over 650 members. A meeting for permanent organization will be held at the clubroom to-morrow night. The Republican headquarters, in the Havens room, on Second street, have been fitted up in handsome style, provided with leading daily newspapers and is an ideal clubroom.

Shockney's First Gun.

Special to the Indianapolis Journal. DUNKIRK, Ind., Aug. 20.-Hon, Theodore Shockney, of Union City, delivered his first political address of this campaign to the McKinley Club of this city last evening. The large hall used as headquarters for the club was inadequate to hold the people and the opera house was resorted to. When Hon. M. L. Case introduced the was greeted with rounds of applause. Mr. Shockney sustained his reputation as a forcible and entertaining speaker, holding the undivided attention of the large audience for nearly two hours. The money question was ably handled and the illus trations given were of a most convincing character. Several new names were added to the club, which now has a membership of 400, some of them being persons who heretofore advocated free silver, but have now come out for sound money.

No Fusion in Clay County. Special to the Indianapolis Journal.

BRAZIL, Ind., Aug. 20.-The termination of the Populist county convention held here to-day was a surprise to many. It was generally whispered around that the Populists would indorse the Democratic county ticket, but this theory was quickly smashed when James Smith, a Populist, arose and made a motion that if Dr. Thornton, the Democratic nominee for Representative, would withdraw the convention would nom inate a Representative and adjourn. This suggestion caused a furore of excitement, and Mr. Smith was promptly jeered and hissed into submission. The convention then proceeded in an orderly manner to select a complete county ticket.

Old Soldiers Not for Cheadle. Special to the Indianapolis Journal.

LEBANON, Ind., Aug. 20.-It has been claimed that the old soldier vote of Boone county would go to private Joe Cheadle candidate for Congress on the Democratic ticket. So far as Lebanon is concerned this claim is without foundation. Within the last few days a petition has been circulated among the veterans here with view to organizing a McKinley club and up to date 110 have appended their signatures. Of this number not one will vote for Cheadle, but all without exception will use what influence they have to elect Charles B. Landis. The club will be organized next Wednesday night.

Shively Finds Few Sympathizers.

Special to the Indianapolis Journal. WABASH, Ind., Aug. 20 .- Hon. B. F. Shively, of South Bend, the free-and-unlimited-coinage-of-silver candidate for Governor, opened the campaign for the Democracy in the City Park this afternoon. His remarks were all assumption, not a single argument being advanced. Considering the fact that the standard bearer's appearance had been heralded throughout the county for over a week, the audience was very small. Mr. Shively's address fell flat. He spoke again at the City Hall tonight to the workingmen.
